## Open House for Women

Do you tweet, blog or have a social network account? Are you a woman, who has always been interested and curious to learn more about technology? Do you believe people from all backgrounds can contribute to technology world?

Then this event is for you!

ThoughtWorks is pleased to present an **Open House just for women** who are interested or involved in Technology. You will get to hear from some successful women about their experiences in this area and we will also have some fun activities planned for the evening.

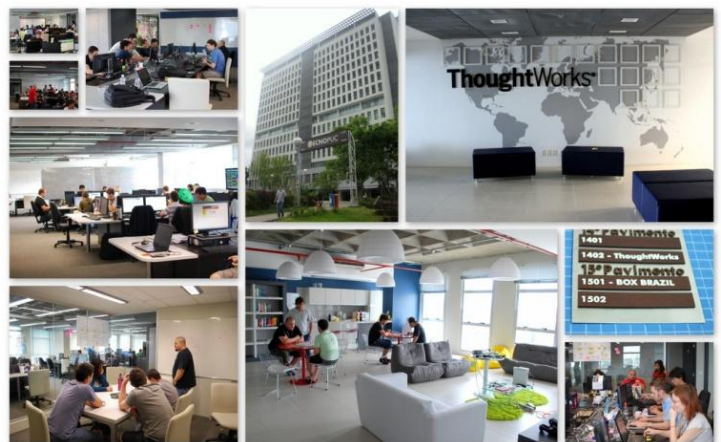

So, come visit our brand new office at TECNOPUC and bring your friends too! There's no preparation required and snacks and drinks will be served!

**Note: English speaking event.**
